ABOUT AAKAR

Every year the Union Public Service Commission (UPSC) conducts the Civil Services Examination to recruit officers for IAS, IPS, IFS and other services, and State Public Service Commissions conduct the PCS examinations. The vast syllabus and multi-stage pattern make these among the toughest examinations of the country. So why do some aspirants succeed early while others struggle for years? The answer lies in "right guidance at the right time".

AAKAR begins right from Class IX, so that by the time a student becomes eligible for the examination, the fundamentals are rock solid. It is a carefully staged 7-year journey: NCERT foundation in Class IX & X, core GS subjects in Class XI & XII, mains-oriented coverage with Optional, CSAT and Essay in graduation, and finally revision and mock tests.

Class IX–X: 1.5 hrs • **Class XI–XII:** 3 hrs • **Graduation Year 1–2:** 5 hrs
